

# PMA Cheerleading Uniform Agreement

## **Option 1: Purchase New Uniform (Skirt and Vest Only)**

A student may purchase a new cheerleading uniform through PMA. The uniform costs between \$120.00-\$150.00. The actual cost will be calculated as soon as we receive the new pricing from the company. With this option, the student owns the uniform and has the option of keeping the uniform or donating it back to the school at the end of her cheerleading commitment.

*With this option a student can swap the used uniform for another used uniform at no cost when the child grows out of the uniform. The uniform must be returned to school cleaned and mended.*

## **Option 2: Purchase Used Uniforms from PMA Uniform Store (Skirt and Vest Only)**

A student can purchase a used uniform from the school for \$100.00. With this option, the student owns the uniform and has the option of keeping the uniform or donating it back to the school at the end of her cheerleading commitment.

*With this option a student can swap the used uniform for another used uniform at no cost when the child grows out of the uniform. The uniform must be returned to school cleaned and mended.*

## **Option 3: Rent Used Uniform from PMA Uniform Store (Skirt and Vest Only)**

A student can rent uniforms from the school on a yearly basis at the cost of \$25.00 per year. The family is responsible for maintaining the uniform (cleaning and mending). The uniform must be returned to the school by April 1 or the student will be charged the balance of \$75.00 for the uniform.

### **Cheerleaders who already paid a deposit on a cheerleading uniform:**

The deposit will be prorated at \$25.00 per year of usage:

Example: If a student placed a \$100 deposit on a uniform last year, she has the following options:

- Keep the uniform for three additional years as a rental, and pay no additional rental fee (\$25.00 per year) – return the used uniform to PMA at the end of cheerleading commitment
- Purchase the uniform with an additional \$75.00
- Return the uniform and receive the balance of due credit – minus the \$25 per year fee.
