

# PMA Family Directory

Great News! We are in the final stages of completing our family directory. This directory will help us contact one another for various reasons, like play dates or carpooling, etc. We are using only the data voluntarily filled out for this purpose on a form sent home at the start of the school year. The directory will be distributed to participating families. We respect the privacy of those families who did not submit their personal data.

At this time we are inviting you to list your business in the directory, for a cost of only \$10.00 (checks payable to PMA), to defray our printing costs. If you own or work for a company that could be of service to other PMA families, please complete the form below and send it in to the office by Thursday, December 20th. These listings will be organized alphabetically by type of service. We encourage all to patronize these businesses.

If you have any questions concerning the directory, feel free to contact either Ann Glisson at mail4anng@yahoo.com (424-1436) or Suzanne Mutty at suzmutter@comcast.net (883-1999).

---

Yes! Please list my business in the PMA directory. My \$10.00 fee is enclosed.
