

Summer Reading Program for Incoming Grade 4

Participation in the summer reading program is mandatory for all students who will be entering grades 1-8. Much care has been taken to assure that the expectations for each grade level are appropriate to the students entering that grade. The teachers have chosen a variety of books to provide for the different interests and reading tastes of the youngsters, while providing worthwhile literary value. Please assist your child in choosing his/her reading.

All incoming fourth grade students are required to read *Because of Winn-Dixie* as well as complete the Unit Test that goes along with it. They are also required to read two of the four choices that are listed and complete a Book Report Form for them.
