## TUITION AGREEMENT 2011-2012

*We/I understand and agree to the terms of this agreement as stated in this document. We/I accept full responsibility for the tuition payment of my/our child/ren. Furthermore, we/I agree to support the school's fundraisers, if I/we choose option number 1 and 3.*

*We/I understand that failure to meet any of the requirements stated in the agreement will result in: **THE WITHDRAWAL OF MY CHILD/REN FROM PRESENTATION OF MARY ACADEMY.***

**The tuition rates are based on the assumption that:**

- A) Each family supports the school's fundraisers and raises a net of \$300.00 for the school; OR
- B) Each family opts for the luxury of "buying-out" their participation in the school's fundraisers by contributing \$300.00.

**Please check one of the following plans by which you agree to make your tuition payment(s):**

**Option 1:** Pay full tuition by August 1st. This payment, made directly to the school will entitle you to a 3% tuition discount. Payments must be made by August 1<sup>st</sup>. Payments received after August 1<sup>st</sup> will not qualify for the 3% discount. Through this option you agree to support the school's fundraisers and raise a net of \$300.00 in fundraising money.

**Option 2:** Pay the full tuition amount and the \$300.00 buy-out fee by August 1<sup>st</sup>. This payment, made directly to the school by August 1<sup>st</sup> entitles you to a 3% tuition discount (3% applies to tuition only – not buy-out). Payments received after August 1<sup>st</sup> do not qualify for the 3% discount.

**Please note: With both of the above, if you fail to meet the August 1 deadline, you will automatically be placed on the FACTS Payment Plan. The FACTS \$38.00 annual fee will be automatically deducted from your bank account. There will be no in house monthly billing of tuition. PMA billing payments options are no longer available.**

**Option 3:** Pay tuition by the **FACTS AUTOMATIC MONTHLY PAYMENTS.** These payments are made directly to FACTS through your bank account. The FACTS \$38.00 annual fee will be automatically deducted from your account. Through this option you agree to support the school's fundraisers and raise a net of \$300.00 in fundraising money.

**Option 4:** Pay tuition and the \$300.00 fundraising Buy-Out by **F. A. C. T. S.** automatic monthly payments. These payments are made directly to F.A.C.T.S through your bank. The \$38.00 F.A.C.T.S. annual fee will be automatically deducted from your account.

**Option 5:** Pay tuition by **F. A. C. T. S.** automatic monthly payments. Pay \$300.00 buy-out fee by August 1<sup>st</sup>. These payments are made directly to F.A.C.T.S through your bank. The \$38.00 F.A.C.T.S. annual fee will be automatically deducted from your account.

**ALL FAMILIES ENROLLING WITH FACTS will need to set up their payment plan with FACTS ONLINE. Instructions will be sent to you upon receipt of this Tuition Agreement Form. ONLINE enrollment must be completed by May 10, 2011. ALL PAYMENT SCHEDULES BEGIN IN JULY.**

### WHAT IS FACTS?

FACTS is an automatic payment plan that provides you with the ease of a low cost way to budget your financial obligation. Payments can be deducted from accounts on the 5<sup>th</sup>, 10<sup>th</sup> or 20<sup>th</sup> of the month for 10 or 12 month plans. Equally important, it removes the school from the bill collecting process and allows us to concentrate on the task of educating your child/ren.

**Families who have not raised their \$300.00 fundraising fee will be billed by May 1, 2012 for the remaining balance.**
