## Prepaid Milk Order Form for 2011-12

As in past years, the school will offer your child the opportunity to purchase milk for lunchtime. In order to economize on the number of hours spent on bookkeeping services and cafeteria personnel counting and placing milk orders, and for the sake of accuracy, we ask that **ALL MILK ORDERS BE PREPAID FOR THE ENTIRE YEAR**. The school year consists of 175 “milk/lunch” days. The cost for the year will be \$.50 per day X 175 days = \$87.50. Because the milk orders are ordered on a weekly basis, there will be no credits for absenteeism. We will credit your milk account only if your child chooses to stop drinking milk at school. The milk choices are 2% white or chocolate available in half pint sizes. Please note that we will not be selling milk at lunch or on a “cash and carry” basis. In order for your child to receive a milk ticket, you must prepay for the year.

**Please return the form below to the Business Office before August 1, 2011**
